## ANNUAL COMMUNICATION ON PROGRESS

Dear Sir/Madame,

I am pleased to confirm that Martela Oyj continues to support the ten principles of the Global Compact in respect to human rights, labor, the protection of the environment and anti-corruption. With this communication on progress, we express our continuous support and aim to advance those principles within our sphere of influence. The principles are part of the company strategy, culture and day-to-day operations.

Please find below a link to our company responsibility reports from year 2015 giving full description of practical actions the company has taken to implement the Global Compact principles in each of the four issue areas since the beginning of 2011 until the end of 2015.
